Any TAC member  
TAC mailbox (Across from Church Copy Room)

## **Procedure for Thrivent Choice Dollars Funds – Project**

1. The Thrivent Advocacy Committee (TAC) will review and choose all projects. Projects may be suggested by any congregational member. Project forms may be obtained from the church secretary or any TAC member listed on the project form.
2. Bids for the project will be sought, if necessary. If the project requested falls under a church elder committee he will be informed and their approval sought.
3. If the above #2 statement is yes, then the project must be approved by TAC.
4. With the completion of the project the invoice must be paid ASAP from the appropriate church/school Thrivent Choice Dollars fund.
5. The final step is that the TAC must have on file a copy of the project request, the invoice (if applicable) and marked paid with the check number.
